Press Release:

**Ecolab and Chandra Asri Partner to Implement Green Chemistry,  
Strengthen Commitment to Sustainability**

*Ecolab's proprietary technology implemented to achieve key environmental benefits, to reduce water and energy consumption, Chandra Asri maintains strong focus on Environmental, Social & Governance (ESG) factors*

**Jakarta, 11 January 2021** – Ecolab, the global leader in water solutions and services has partnered with PT Chandra Asri Petrochemical Tbk (Chandra Asri) to implement its state-of-the-art Green Chemistry technologies, to embed world-class safety and environmental standards. The partnership reaffirms Chandra Asri's commitment to Sustainability, and reiterates the importance of Environmental, Social and Governance factors in the Company's strategy and DNA.

The deployment of Green Chemistry matched with local and global expertise will deliver continuous improvement to Chandra Asri's environmental performance. On an annualized basis, it will reduce 92.2 million gallons of water consumption, save 6 million kilowatt hours of energy, mitigate 2100 metric tonnes of carbon dioxide, lower wastewater production by 472,000 tonnes, and cut down Nitrogen Oxide exhaust gas by 75%.

**Erwin Ciputra, President Director and Chief Executive Officer, Chandra Asri**, said: "We are pleased to partner with Ecolab, in line with our ethos of being a growth partner, to mark another key milestone for Chandra Asri's Sustainability journey. We believe if we all act as responsible stewards for the environment, we will all benefit in the long run. Chandra Asri is fully committed towards delivering improvements that reduce our environmental footprint, as we actively seek to balance environmental, economic and social goals via transparent and proactive engagement with the community and key stakeholders around us".

**Allan Yong, Senior VP and Managing Director of Ecolab, Southeast Asia**, said: "Chandra Asri and Ecolab have been working together for many years to deliver performance and value projects that have sustainable and meaningful impact towards the company's environmental standards and operational reliability. We are proud to pen another chapter in working together with Chandra Asri as long-term partners, to establish strong foundations as the company looks to continue its growth and expansion plans to serve the Indonesian market and consumers, in a safer, innovative and sustainable way."
